Old Rocketeers Reunion

The Old Rocketeers Reunion will be held the weekend of NARAM, 26-27 July. This is an opportunity to catch up with old friends and hear about the history of the NAR. You don't have to be an "Old Rocketeer" to come to this event, all are welcome!

Plans so far include light fare and a cash bar. Cost is still to be determined.

All registered NARAM-50 attendees whose NAR number is lower than 50000 will get a special add-on to the NARAM-50 patch.

Launch Site

Nestled in the heart of Virginia's Piedmont countryside, Great Meadow is a 250-acre field events center and steeplechase course. The flying field is used for the TARC national flyoffs, monthly NOVAAR club launches, and was the site of NARAM-46.

For NARAM-50 Great Meadow will host both contest and sport ranges, and will support high power flights up to J impulse. NOVAAR has volunteered to run the sport and HPR ranges for the week.
